

# POP QUIZ

1. You will create a Podcast in GarageBand. You will be graded on your ability to create a file, hook up and use external microphone, record your voice, add sound track, export to disk and share with Edmodo.
2. In your own words describe one of the characters you have encountered in The Cay. Pretend you are telling a friend or family member about this character.
3. After the character description, tell what your vocabulary word for last night's homework was. Give it's definition and use it in a sentence. These podcast should be no longer than one minute and be posted on Edmodo by the end of the period.
